Sir:

INFORMATION DISCLOSURE STATEMENT

In keeping with the duty of candor and good faith owed to the Patent and Trademark Office, Applicants wish to bring to the Examiner's attention the references listed on the accompanying form PTO-1449. Copies of these references are enclosed.

Applicants are filing this Information Disclosure Statement during the period specified 37 C.F.R. 1.97(d). Applicants have not earlier submitted these references because Applicants did not feel that the references presented prior art to the present invention as originally restricted. During prosecution, and in particular during a telephone conversation with the Examiner on January 17, 2003, Applicants have come to believe this prior art to be relevant. Accordingly, this IDS is submitted to comply with Applicants' duty of candor. Applicants are aware that, under 37 C.F.R. 1.97(i), the IDS might not be considered. Applicants respectfully request that the Examiner inform them if they may submit the fee specified under 37 C.F.R. 1.97(d) without the accompanying statement, or with the statement modified in accordance with the present situation,

Respectfully submitted,

Kathleen Chapman
